Dear Practice Manager,

As you are aware, St. Mark's Medical Center closed on October 12, 2023, due to ongoing, insurmountable financial difficulties. It has been our privilege to serve you and the community, and we appreciate the trust you have placed in us over the years.

As part of closure activities, St. Mark's patients' medical records have been safely transferred to custodian American Medical Solutions, Inc.

American Medical Solutions will guarantee continued access for patients' future healthcare needs. As you are able, please share this contact information with anyone requesting access to their St. Mark's medical records:

Sincerely,

Mark Kimball, CEO
